

LOCAL BREVITIES.

Yesterday was, without doubt, the hottest day of the season.

Albert Hayes, colored, charged with rape upon Ada Green, also colored, was yesterday surrendered by his bondsmen and was locked up to await the action of the next grand jury.

William Doherty was again brought up for examination before Judge Richards yesterday afternoon. Owing to the illness of the little child of Joseph Campbell, one of the attorneys for the defense, the examination was continued to this afternoon.

The head of the Buckeye canal is now being flanked and strengthened on the river side by a facing of wooden cribs, loaded down with stone. The directors have heeded the warning of last winter's flood, and intend to make everything secure about the headgates.

Under execution issued from the District Court, 350 head of feeding steers, belonging to S. P. Peck, were sold yesterday by the Sheriff at the Devereaux ranch, north of Phoenix. The herd was bid in by John Lutgerding, at the sum of \$3000. About 150 head of the cattle are yet upon the range upon New River and must be gathered by the purchaser.

W. A. Farish, lessee of the Union mine, returns today to the property and will within a week have the mill in operation. Such of the ore as is carbonate in character will be concentrated. There is ample water in the mine to run the mill for several months. It is expected that more water will be struck in the drift at the 350-foot level, upon extending it about thirty-five feet, when the ledge will be cut that carries the water.

Vice President C. M. Prange, of the Yuma copper mines, and Professor John Herdegen leave on this morning's train for the East. Mr. Prange stops at St. Louis, where his home is located, but the Professor goes as far as New York.

The funeral of Mrs. Mary Bradbury took place yesterday from the late residence of the deceased. A long line of carriages followed the hearse to the cemetery, where the body of the unfortunate woman was laid to rest with appropriate services.

Death of Joseph Campbell's Daughter.

Yesterday afternoon about 3 o'clock, a girl about 5 years of age, died of scarlet fever. Needless to say that everything possible was done for the little sufferer, but the disease was of too malignant a type to be stayed. She was a child of unusual beauty and intelligence, and to the parents her death is indeed a blow.

The time for the funeral is not definitely set, but it is expected to take place this afternoon. Father Jovenecan, who will officiate, has been telegraphed for to Tucson, where he has been for several days.

The Marlow Estate.

The report of Edward Marlow, special administrator of the estate of George Marlow, was filed in the Probate Court yesterday. He reports belonging to the estate 4,592 head of cattle and about twenty horses. Expenses and fees to the amount of \$424, were allowed by the Court. The bond of Oscar L. Gibbs, co-administrator of the estate, was submitted in the sum of \$164,000, with twenty-seven sureties.

The bond of Charles Goldman, as administrator, was approved.
